Research in Developmental Disabilities	EJC	1995

Federal and Commercial Websites:

- **American Association of Intellectual and Developmental Disabilities** (<http://www.aamr.org/>): Since 1876, the American Association on Intellectual and Developmental Disabilities (AAIDD) has been providing worldwide leadership in the field of mental retardation. We're a powerful community of leaders with a strong voice and important mission. AAIDD, (formerly AAMR -- American Association of Mental Retardation) is the oldest and largest interdisciplinary organization of professionals and citizens concerned about intellectual and developmental disabilities. We're tireless promoters of progressive policies, sound research, effective practices and universal human rights for people with intellectual and developmental disabilities.
- **ABLEDATA** (<http://abledata.com>): AbleData provides objective information on assistive technology and rehabilitation equipment available from domestic and international sources to consumers, organizations, professionals, and caregivers within the United States. We serve the nation's disability, rehabilitation, and senior communities.
- **National Rehabilitation Information Center** (<http://www.naric.com>): NARIC staff members are dedicated to providing direct, personal, and high-quality information services to anyone throughout the country. NARIC's Web site continues this tradition by putting the information into the hands of the users through online publications, searchable databases, and timely reference and referral data.
