Reading Guidelines

- Read or be read to 20 minutes each day.
- After completing your daily reading, mark off the date on the calendar. (Parents please help younger children.)
- Eight (8) "read free" days are included to use any time during the 8 weeks. (*Only 4 are given if you register after June 30th.*) Just write "jet-lag" on the calendar in that day's date.
- Any DPL SRP event you participate in counts as your 20 minutes of reading for that day. You receive a program sticker to mark your participation on your reading record. Though we encourage it, attending programs is optional.
- *Due to ALL activities being outside this year, if there is heavy rain or a storm in our area **beginning 30 minutes before the start of any program**, the program will be cancelled.*
- For programs marked by an asterisk (*), **additional registration is needed**. Due to a limited number of spaces available, participants who are not on the additional sign-up sheet will not be able to attend. Once the available spaces are filled, others wishing to register will be put on a waiting list and contacted to attend **only** if a space becomes available. Please see a Youth Services Associate for details.
- Most programs will last approximately 1 hour.
- To be eligible for prizes at the end of SRP, participants must have completed 6 weeks of the reading requirements.
- SRP age group placements are non-negotiable.
- Please be aware when turning in your reading record the week of July 25th, we may not be able to accept it while an event is in progress.
- Thank you for your cooperation in complying with SRP rules & requirements to ensure everyone has an enjoyable
